:: You are in **OUR HOME PAGE** ::

## COMPANY PROFILE

Ekha Agro Farms Limited was incorporated in 1986 and started operations in 1990 with importation and sale of food and feed additives such as amino acids, vitamins, and sweeteners including glucose syrup. The company's corporate office is at **Plot 15, Isaac Stan Close, Off Wempco Road, Ogba Industrial Area, Ogba, Lagos-Nigeria.**

In 2004, the company made the strategic decision to diversify its operations into the production of cassava-based glucose syrup, cassava is widely cultivated in Nigeria and constitutes about 90% of the total raw materials required in the manufacture of glucose syrup.

### **The Glucose Syrup Factory**

Construction of the ultra modern factory at **KM 25, Lagos-Ibadan Expressway, Ibafo, Ogun State**, was completed in 2007 and commissioned on May 15, 2007 by former President Olusegun Obasanjo, GCFR. It is the first glucose syrup factory in Nigeria and the second in Africa after that in South Africa. Funding for the project was provided by a consortium of Banks led by Bank of Industry Limited, NEXIM Bank Limited. The factory has an installed production capacity of *4.4t/h* food grade glucose syrup with provisions to increase the output capacity to *8.8t/h* with the addition of a few machines. Full production of glucose syrup at the factory started in April 2007

The factory is on 80,000 square meters property the on Lagos-Ibadan Expressway. International starch institute, Denmark undertook the design, installation and commissioning of the factory to meet the highest international standards and all process equipment are made from stainless steel materials on all epoxy floor finish with attached standard laboratory.

### **Ekha Agro Processing Limited**

Ekha Agro Processing Limited was incorporated in 2006 to take over all assets and liabilities relating to the establishment of the glucose syrup factory
